### CELEBRITY

Your wedding deserves more than just coverage. it deserves a film crafted with the same discretion and artistry reserved for the world's most extraordinary events.

With our Celebrity Package, your wedding becomes our singular focus. We block off not only your wedding weekend, but additional days before and after to ensure complete creative freedom and flexibility. Our team works directly with your planner in full discretion, handling every detail so you can remain fully present.

#### The Experience

Extended Exclusivity – No other weddings will be booked around your event; our calendar revolves entirely around you.

Multi-Day Coverage – From welcome dinners and rehearsal to the farewell brunch, every chapter of your celebration is documented in cinematic detail.

Private Pre-Wedding Film Session – A bespoke creative shoot (engagement, love story, or editorial-style film) designed exclusively for you.

Concierge Collaboration – Direct coordination with your planner and vendors to anticipate every need.

Discreet Production – A small, trusted crew trained to work with the highest level of privacy and respect.

Custom Soundtrack Licensing – Original music scoring or fully licensed tracks to create a one-of-a-kind film.

Cinematic Experience – Filmed with multiple RED digital cinema cameras for unmatched image quality, masterfully graded with a theatrical finish, and preserved with archival storage to ensure your film endures for generations.

This package is not just about documenting your day – it's about creating a timeless, cinematic legacy that matches the significance of your celebration.
